

CHARACTERISTICS

Blue Angel is the newest generation of a dryland classified Kentucky Bluegrass. **Blue Angel** will maintain its lush green color for a longer time during dry, hot weather.

With early spring green up and a medium blade width, **Blue Angel** provides an appealing lawn. It's rapid establishment makes it ideal for any mixture or blend that requires a cost effective Kentucky Bluegrass.

Blue Angel is ideal for home lawns, commercial properties or anywhere an improved dryland Kentucky Bluegrass is required.

SEEDING RATES

3-4 LBS/1,000 square feet for new establishment
1-2 LBS/1,000 square feet for overseeding
