

# ECOLOGIC

## Perennial Ryegrass

### Product Sheet

#### Characteristics:

*Ecologic* was selected in 1995 from the best clones in collections made along roadsides, curb strips, cemeteries and city parks in the Pacific Northwest. *Ecologic* exhibits very high tiller ratings producing a very dense stand of turf which is fine-textured, dark-green plant with a medium-tall growth habit. *Ecologic* was developed for disease resistance to Red Thread, Leaf Spot and Rust.

**Performance of Perennial Ryegrass Cultivars
