

CHARACTERISTICS

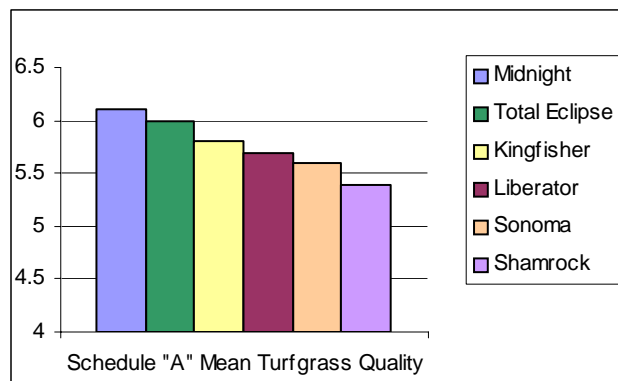

MIDNIGHT Kentucky Bluegrass has better overall turf quality, stripe smut & leaf spot resistance, low maintenance performance, winter color and traffic tolerance than other Kentucky Bluegrasses.

MIDNIGHT'S disease resistance, good spring green-up, winter color and summer performance make it ideal to blend with other Kentucky Bluegrasses.

MIDNIGHT performs well in mixes with Perennial Ryegrass, Fine Fescues, and Tall Fescue. **Midnight** is an excellent choice for home lawns, commercial properties, parks, golf course fairways & roughs, sod production and sports fields.

2000 National Kentucky Bluegrass Test 2001-05 Data Ratings 1-9, 9=Best

SEEDING RATES

3-4 LBS/1,000 square feet for new establishment
1-2 LBS/1,000 square feet for overseeding

BENEFITS

- ◆ Excellent Seedling Vigor
- ◆ Excellent Establishment
- ◆ Good Spring Green Up
- ◆ Dark Green Color
- ◆ Superior Performance at 1/2" Height of Cut
