

P.T. CRUISER

POA TRIVIALIS BLEND

Product Sheet

Characteristics:

P.T. Cruiser is a three-way blend of Sabre III, Laser and Pro-AM that are top performing Poa Trivialis varieties that have been formulated to provide improved performance on southern over-seeded tees, greens and fairways or permanent turf situations in cooler climates.

Improved Results:

Scientific results have proven that using blends enhance genetic diversity. Genetic diversity provides improved germination and establishment plus greater resistance to pests, diseases, or other environmental stresses.

Features:

-  Faster Spring Transition
-  Improved Bermudagrass Recovery
-  Excellent Putting Surface
-  Very Cold Tolerant
-  Dark Green Color
-  Fine Leaf Texture
-  Stoloniferous Growth Habit
-  Excellent Recuperative Ability

Blends well with Perennial Ryegrass and Bentgrass
